Michael F. Blake : The Films of Lon Chaney before purchasing it in order to gage whether or not it would be worth my time, and all praised The Films of Lon Chaney:

0 of 0 people found the following review helpful. A Great Companion to Mr. Blake's Other Chaney Books By Wm D. Reed A wonderful reference source for all of his known films. I was able to discover a small handful of them on the 'net because of it, and that alone would make this book worth it. It's also nice to be able to read opinions on films that I have seen, as well as imagining the ones that I haven't. The early deGrasse films, in particular, seem very imaginative.

Filled with great photos and historical information. 1 of 1 people found the following review helpful. T SAY ENOUGH ABOUT THIS GREAT ARTIST! THERE WILL NEVER BE ANYONE LIKE HIM By Stanley E. Zwerling YOU CAN.T SAY ENOUGH ABOUT THIS GREAT ARTIST! THERE WILL NEVER BE ANYONE LIKE HIM! 0 of 0 people found the following review helpful. excellently researched book By Greg R. Vadimsky Once again this author astounds with his depth of research - finding in depth descriptions and information about films we may never have a chance of seeing is an amazing feat. Shipping was quick and the book was in excellent condition as well.

The most complete available reference on the most extraordinary star of the silent film era.

[The Films of Lon Chaney] completes what has now become a quite remarkable trilogy on the actor. (Fangoria Magazine) With the aplomb of a scholar and the enthusiasm of a film buff, Michael Blake profiles Lon Chaney's films in an authoritative, deftly researched volume destined to become the essential source on Hollywood's legendary Man of a Thousand Faces. (Ft. Lauderdale Sun-Sentinel) About the Author Michael F. Blake is the author of Lon Chaney: The Man Behind the Thousand Faces and A Thousand Faces: Lon Chaney's Unique Artistry in Motion Pictures. He lives in Los Angeles.
