Douglas Brode : The Films Of Robert De Niro before purchasing it in order to gage whether or not it would be worth my time, and all praised The Films Of Robert De Niro:

1 of 1 people found the following review helpful. The Films of Robert DeNiroBy Linda A. WhiteGREAT BOOK, love the pictures and all the information in this book. Every DeNiro fan should read this book.6 of 6 people found the following review helpful. Beautiful, perfect bookBy Augusto WongThis series of books is always outstanding for the bunch of pictures it contents. But the text equals the image, there's a lot of research for each movie De Niro's done - critic-guru Pauline Kael's comments among others-, and a few insights on the flaws of some of his movies, that may give you the right impression that this author knows some things about craftsmanship.5 of 5 people found the following review helpful. BravoBy Chris EmilyYou may think that Bobby D is the man, and you'd be right. But do you really understand WHY he is the man? Douglas Brode does, and in this project, he lays out all of the reasons De

Niro has become one of the most prolific actors of his time. Informative and entertaining, *The Films of Robert De Niro* is a must read for fans of the actor and his movies.
