because it is everything I wanted and needed. Im writing a paper for my abnormal psychology class about the mental illnesses that Parry has, and the screenplay along with the interviews and information on the characters is an amazing resource! It came in very good condition, looking hardly used at all. Im so happy with this purchase! I would recommend this product to anyone who is a big fan of the movie, as well as anyone needing the screenplay!0 of 0 people found the following review helpful. Five StarsBy thomas mc governVery happy with order.7 of 12 people found the following review helpful. Howarduq likes the bookBy howarduq@aol.comThe Fisher King is an excellent film. It stars Jeff Bridges, Robin Williams, Mercedes Ruehl, and Amanda Plummer. These four bring Richard LaGravenese's script to life. See how it was done with this book, which includes the screenplay, an essay by the author, a short intro by Gilliam (the director), and interviews of Gilliam and Williams by journalist David Morgan. Also included are outtakes of the screenplay, B+W still shots of the film, and a list of the credits.

The Applause book of The Fisher King is essential reading for any fan of this 4-star film from Terry Gilliam that Playboy calls "an astonishing comedy about love, loss and redemption" and Vogue says "takes enormous risks and pulls off the challenge." It includes: over 200 photographs, deleted and altered scenes, interviews with Robin Williams and Terry Gilliam, a symposium about the making of the film, the complete credits, and more.
