**Brookelyn Bellinger : The Frozen Toe Guide to Real Alaskan Livin': Learn How to Survive Moose Attacks, Endless Winters Life Without Indoor Plumbing** before purchasing it in order to gage whether or not it would be

worth my time, and all praised *The Frozen Toe Guide to Real Alaskan Livin': Learn How to Survive Moose Attacks, Endless Winters Life Without Indoor Plumbing*:

1 of 1 people found the following review helpful. I laughed till I was in tears and then I took another swig of Alaskan Beer...By Jeffrey FrittsMs. Bellinger's book made me laugh out loud and helped me consume several six-packs of Alaskan Beer. I have lived in Alaska for nearly 20 years, count that as 20 Alaskan winters. I have lived in some of the places she wrote about, I have been charged by moose. I can identify with it all. I said, "...how true" and laughed out loud so often I woke up the dog. (The dog is a mutt, best described as large and brown. She was born in Alaska and thus is an Alaska Native.) As I read and enjoy 'The Frozen Toe Guide...' I enjoy my favorite beer, anything Alaskan Brewing Company from Juneau. Reading that book cost me 2 six-packs. I scored 22 on the Are You A Real Alaskan? quiz. Has the log splitter been awarded? As soon as the snow melts a little more I'm going to have a breakup party and play The Blue Tarp Challenge. For all of you who don't live in Alaska...all the blue tarps in the yard are still covered in snow in mid march. I really love this book. Jeffrey Fritts, Anchorage, AK1 of 1 people found the following review helpful. I got this for my sister in Oregon so she ...By thebozworthI got this for my sister in Oregon so she could try to understand what I'm up to in a more lighthearted way. As a ten year alaskan, this book was totally relatable. A lot of Fairbanks in there....worth reading for sure.2 of 2 people found the following review helpful. Real Alaskan Livin' is Real Great Readin'By Tabby SweetI bought this book on a splurg for something different. It sounded interesting, and sure enough I wasn't disappointed. This book is one of the best books I have read in a long time. Informative, insightful, humorous, this book has it all. With ever page turn I feel like I could make it in Alaska too... if I weren't such a nature wimp. You have to be a strong, brave, and nature loving kind of person to survive in Alaska. Not to mention creative for those long winters.This book is highly reccomended for anyone planning a trip to Alaska, or anyone who's just looking for a good read. ^\_^

*The Frozen Toe Guide to Real Alaskan Livin'* both embraces and instructs readers on everything one needs to know to be a true Alaskan, or at least to look the part. Combining both handbook format with anecdotal bits about the authors own experiences moving to the state, the book advises readers on such topics ranging from winter survival skills to regional fashion to Alaskan dating advice to extreme sports. Learn how to make ice cream from snow, or how to seek out a career in dog mushing. Find out where to travel for weekend trips, and what Alaskans do for entertainment.

Brookelyns "View from the Cabin" columns appear bimonthly in the Fairbanks Daily News-Miner.
