David Rothel : The Gene Autry Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gene Autry Book:

0 of 0 people found the following review helpful. Early western reviewedBy BarbaraWas interesting to read about what life was like for Gene Autry. He was my all time favorite "cowboy" as a youngster. Taking everuthing into consideration today we need to return. Right is right and wrong is wrong and these early cowboys woeked to prove it without blowing the world up and killing everyone in sight0 of 0 people found the following review helpful. Five StarsBy JimGood book good deal0 of 0 people found the following review helpful. this bookliked a lot the pictures in it are good I am also a fan of GeneBy A.
