Dozens of pictures. 0 of 1 people found the following review helpful. Bay Area Film History By Curtis W Hurley If You are looking for extensive history on Bay Area Movie History than look no further. This gives a chronologic and in-depth history of the Bay Area film history in the early years.

The little-known and long-neglected story of pioneer movie-making in the San Francisco Bay area is told by an award-winning filmmaker and cinema historian. This book recaptures the people and places, the events and achievements that contributed to this significant, though overlooked, chapter in the history of the American film. Illustrated.
