Kermode and Mayo's podcast this should be considered a must read. In it, Mark sets out the articles of his faith, with sermons on topics including his current bte noire: 3D. For Kindle users: the Kindle edition for this book was a great improvement over the Kindle edition of Mark's earlier book. 1 of 2 people found the following review helpful.

Kermodian Rants By Robert C. Berring The book is easy to read and it must have been easy to write. It sounds as if it is lifted straight from the Mayo-Keromode Live 5 broadcasts. I had heard many of the stories and had no trouble seeing where it was all headed. I am a great fan of the podcasts of the show. I shall stick with that... 0 of 4 people found the following review helpful. Love the podcast, not the book By Jammer13 If you listen to the podcast, stick with it, there's no new content here. It's a classic for successful duo's, they are less than half without the other.

A renowned film critic offers a no-holds-barred account of all that is great and all that is terrible about cinema
