**Annette D'Agostino Lloyd : The Harold Lloyd Encyclopedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Harold Lloyd Encyclopedia:

0 of 0 people found the following review helpful. Comedy history lifeBy IshmaelOne hell of a good reference for anyone who enjoys this man and what he did and created.6 of 6 people found the following review helpful. Hurray for Harold Lloyd!By M. BurnsThis is a wonderful compendium of and for everything Harold Lloyd! What a great reference. It's filled with facts and fun trivia about the great silent comedic film genius and the people, places and animals that were all part of Harold's world of comedy... and his life on and off the silver screen. I just love this

book!5 of 6 people found the following review helpful. The book's title says it all.By David B. PearsonHands down, the best book on Harold Lloyd, one of the geniuses of silent comedy. The tome is filled with rare information on Lloyd: details on his comic genius, his films, both silent and sound, his acting, his co-stars, his family, his hobbies, and "Greenacres," his unforgettable mansion. If you don't have this book, you're not into Harold Lloyd.

Harold Lloyd, born in 1893, became one of the greatest comic actors in America. This is a compendium of all things Lloyd, with entries on noteworthy persons, recurring themes, crucial elements of Lloyd's life (birth, education, marriage, family, hobbies, death, etc.), his prime co-stars and co-workers, the films that made him a legend (201 of them), and numerous other topics covering every facet of the man and the actor, all fully cross-referenced and accompanied by a vast collection of images and advertisements. An Appendix A lists the Lloyd shorts in the order produced, with the Production Code assigned by the Rolin Film Company officials. Appendix B is a proper filmography, listing each Lloyd film from 1913 to 1966 in chronological order.

"A tremendous must-have volume...the most complete book on the comedian...written well and with authority...a worthy addition to any silent film library...[a] wonder of research...amazing in its detail and enthusiasm...packed with good solid info...valuable...photos are outstanding...a substantial reference work...research is strong." --Classic Images  
"An intelligent...treatment of Lloyd's professional and personal life...a substantial bibliography and an indispensable master index...recommended." --Choice  
"A scrupulously researched and detailed compendium." --Film Quarterly  
About the Author
