Quentin Tarantino : The Hateful Eight before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hateful Eight:

21 of 21 people found the following review helpful. i would just like to clarify that Quentin Tarantino aside from "Jackie Brown" ...By Kevinso for some reason some people keep thinking this is a novel. i would just like to clarify that Quentin Tarantino aside from "Jackie Brown" has always written stuff 100% from his mind so this in fact is not a novel, but it's a screenplay. and if you didn't know what a screenplay is, it's the script for the movie and what the

movie is based off of. but don't worry. don't listen to the people that have been giving it two or one star reviews, because this screenplay reads like a novel. one thing that a great book does is have amazing detail, wittiness, and great descriptiveness. and this is what this script does. the dialogues and monologues are filled with great wit, incredibly funny dark humor, and the awesome over the top bloody violence that every Tarantino movie has. this screenplay like every other screenplay also comes with stage direction. what stage directions is, if you didn't know, is what the the actor and film crew follow so they know exactly what to do and so the actor knows what the character is like. so it just adds to the great experience. but no matter what you think this product is, you are getting something awesome, though i'm pretty sure you know it's a script by now.p.s. sorry for all the run on sentences and grammar mistakes0 of 0 people found the following review helpful. This was a great read. I would recommend this to anybody who ...By RThis was a great read. I would recommend this to anybody who loves reading scripts, and wants to experience one of Tarantino's. When you're reading his scripts, you feel like he's specifically telling the story to you; like you're reading a novel from a powerful narrator, or hearing someone tell you a campfire story.If you didn't go see the movie yet, I'd recommend to read it first because there are a few things that were left out of the film which are in the script that I find great.This is an insanely powerful story. Enjoy it!0 of 0 people found the following review helpful. "Reservoir Dogs" in the old west.By J.T GroomsTarantino's latest masterpiece blends revisionist western and mystery with his trademark epic dialogue and brutal violence. Honestly, it's Reservoir Dogs in the old west. Still awesome

Academy Award-winning screenwriter Quentin Tarantino returns with his most infamous, most brilliant, most masterful screenplay yet... At the end of the Civil War, a stagecoach hurtles through the wintry Wyoming landscape. Bounty hunter John Ruth and his fugitive captive Daisy Domergue race toward the town of Red Rock, where Ruth will bring Domergue to justice. Along the road, they encounter Major Marquis Warren, a former Union soldier turned infamous bounty hunter; and Chris Mannix, a renegade who claims to be the town's new sheriff. Lost in a blizzard, Ruth, Domergue, Warren, and Mannix seek refuge at Minnie's Haberdashery, a stagecoach stopover. When they arrive, they are greeted by four unfamiliar faces: Bob, who takes care of Minnie's in the owner's absence; Oswaldo Mobray, the hangman of Red Rock; cow-puncher Joe Gage; and Confederate general Sanford Smithers. As the storm overtakes the mountainside, our eight travelers come to learn they may not make it to Red Rock after all ... THE HATEFUL EIGHT is a Tarantino master class in tension-filled atmosphere, singular characters, and razor-sharp dialogue.

About the AuthorQuentin Tarantino is a film director, screenwriter, producer, and actor known for his hugely popular films Pulp Fiction, Django Unchained, Kill Bill, and Resevior Dogs, among others. Tarantino's films have garnered both critical and commercial success. He has received many industry awards, including two Academy Awards, two Golden Globe Awards, two BAFTA Awards and the Palme d'Or, and has been nominated for an Emmy and a Grammy.
