**Kate Domaille, Paul Wells : The Horror Genre: Classroom Resources (Teacher's Guides and Classroom Resources)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Horror Genre: Classroom Resources (Teacher's Guides and Classroom Resources):

The Classroom Resources include tasks, questions and discussion topics, providing a ready-made scheme of work for teaching genre and also features frameworks for such practical activities as designing a video/DVD sleeve and stimulating a TV discussion about 'video nasties'.

About the AuthorKate Domaille is a freelance lecturer and writer in Film and Media Studies.
