A brilliant look at brillianceBy Raymond BensonLike the STANLEY KUBRICK ARCHIVES that Taschen put out before it, the INGMAR BERGMAN ARCHIVES gives us a fascinating look into the creative mind of one of the world's cinematic geniuses. Full of material that I've never seen before (and I'm a Bergman fanatic!), this heavy tome has it all--stills, background, script excerpts, chronologies, you name it. And the souvenir film strip from "Fanny Alexander" and the DVD of Bergman's home movies are icing on the cake! Worth every penny.3 of 6 people found the following review helpful. The Ingmar Bergman ArchivesBy MglysConsidering the materials and methods, this is a five star production by the editors and contributors for freshness, depth, and synchrony.1 of 3 people found the following review helpful. Five StarsBy Gaukhar ZaitbekovaSuch an amazing book!!! Overmet my expectations!!!)))

Swede sensation: An in-depth exploration of Bergmans complete works
