James L. Neibaur, Ted Okuda : The Jerry Lewis Films: An Analytical Filmography of the Innovative Comic before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jerry Lewis Films: An Analytical Filmography of the Innovative Comic:

1 of 2 people found the following review helpful. Four StarsBy CustomerInformative, interesting and well done.6 of 8 people found the following review helpful. The Bible for the Lewis fanBy MissLisa1970Well researched.Well

written. Well done. Perfect book for anybody wanting to know everything about every film of the genius that is Jerry Lewis. 2 of 3 people found the following review helpful. The Definitive Work On Jerry's Films By R. Greene Easily the definitive work on Jerry's film career, this book is a MUST for fans and comedy buffs. The softcover release is very affordable with a terrific cover and Jerry's comments at the conclusion of each and every chapter on his work are fascinating, honest and fun to read. My pal Jim and his co-author Ted have done superb work here, covering every one of the Martin and Lewis comedies we grew up with then through Jerry's hit and miss solo career... and when he hits, classic comedy ensues. Celebrate the 90th birthday of this last link to the vintage film comedies of another era by purchasing this MUST HAVE history of films of Jerry Lewis.

Using interviews with Jerry Lewis and many of his co-stars, this book analyzes his collaborative efforts with Dean Martin, his subsequent solo work, his writing and directorial careers, and later movies such as *Hardly Working* (1979) and *The King of Comedy* (1982). Comprehensive data are provided for each of the films, with cast and production credits, studio, release date, and running time. Lewis's own reflections on his work are included for many of the entries.

"The ultimate tribute." --The Intelligencer Record "A superior tome." --Classic Images "The best book ever written about Jerry Lewis' movie work! Well-researched, smartly organized, and crisply written...essential." --Roctober "Valuable." --Video Eyeball "The best book ever written about Jerry Lewis' movie work! Well-researched, smartly organized, and crisply written...essential." --Roctober From the Inside Flap Using interviews with Jerry Lewis and many of his co-stars, this book analyzes his collaborative efforts with Dean Martin, his subsequent solo work, his writing and directorial careers, and later movies such as *Hardly Working* (1979) and *The King of Comedy* (1982). Comprehensive data are provided for each of the films, with cast and production credits, studio, release date, and running time. Lewis's own reflections on his work are included for many of the entries. About the Author James L.
