Caroline Smith : The Kitchen Witches before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kitchen Witches:

1 of 1 people found the following review helpful. A True LOL ScriptBy BaaronWhat a great play! This is one of only a few scripts that I have actually laughed out load while reading. The show is prop-heavy, but definitely worth the

effort. A true crowd pleaser!0 of 0 people found the following review helpful. great playBy Deborah A. Brauncutest little play for a small venue (hometown theater)0 of 0 people found the following review helpful. Very funny playBy Martha D. NeiderVery funny play. I got it to read prior to possibly auditioning for a part, and I'm pleased to say I got the part!

Winner! 2005 Samuel French Canadian Playwrights Contest Isobel Lomax and Dolly Biddle are two "mature" cable-access cooking show hostesses who have hated each other for 30 years, ever since Larry Biddle dated one and married the other. When circumstances put them together on a TV show called The Kitchen Witches, the insults are flung harder than the food! Dolly's long-suffering TV-producer son Stephen tries to keep them on track, but as long as Dolly's dressing room is one inch closer to the set than Isobel's, it's a losing battle, and the show becomes a rating smash as Dolly and Isobel top both Martha Stewart and Jerry Springer!
