Lee Evans : The Life of Lee before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Lee:

1 of 1 people found the following review helpful. Inspirational and funnyBy LOUIEThis is a great story of a loser who finally won it all. Evans philosophy of "never back down, never run from a fight" is what kept him going, although many, including Evans, consider him overly optimistic. In the end, his optimism - and ability to play to his strengths , loser as he may be - is what saves him.1 of 1 people found the following review helpful. Poor me..ok I get it

already. By Saz If I was to describe the author of this book, having never seen his stand up performances, which I haven't, I would say he is the eternal "poor me..... I was such a klutz and such a victim, but look at me now! I think it was an entertaining book no doubt but he just had to keep banging on about what a fool and useless person he always was and magically this Cinderfella turned into the prince. It became irritating. But, I liked some of the yarns he told about his life. Worth a read but not a rush out and buy it book. I'd like to see him on stage live and see if he does the poor old me stuff. Bet he's funny. 1 of 1 people found the following review helpful. Monkey boy ? By Van den Berghe Michel Ever heard about "the funniest guy in the world" ? This is him. This book is "the" origin of fun and laughter...

Lee Evans is one of the best-loved comedians in the country; a Hollywood star able to sell out arenas in the blink of an eye. But he was not always such a roaring success. *The Life of Lee* is an utterly hilarious and very moving autobiography charting his ups and downs on the way to the top. Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate, his unconventional school days and through a grim teenage period of numerous dead-end jobs. The book also reveals how as a boy Lee got his first taste of showbiz, accompanying his entertainer father around the rowdy, unforgiving working-men's club and theatre circuit. Desperately struggling to be accepted, this quiet young loner always saw himself as an outsider. But he finally met the love of his life and accidentally discovered the one place where he felt at home: the stage.

About the Author In November 2005, Lee Evans smashed the world record for playing to the largest ever comedy audience - 10,108 people at the Manchester Evening News Arena. The record underlined his status as the most popular comedian in the UK. A former boxer, Lee went on to break more records. In 2008, he sold more than 500,000 tickets on fifty-nine arena dates. He has now sold in excess of 4 million DVDs. Born in Bristol in 1964, the award-winning comedian also headlined in such films as *There's Something About Mary*, *Mouse Hunt*, *The Fifth Element*, *The Martins* and *Funny Bones*. He has also performed in the West End in *The Producers*, *Endgame* and *The Dumb Waiter*, receiving numerous theatre awards along the way. Lee has been happily married to Heather for twenty-seven years. They live in Essex and have a daughter called Mollie.
