Emma Baxter-Wright : The Little Book of Chanel before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Book of Chanel:

0 of 0 people found the following review helpful. Four Stars By ShellyFloves this cute little book!
0 of 0 people found the following review helpful. Four Stars By anaThe only thing, is that my book came with dents on the edges.
0 of 0 people found the following review helpful. Five Stars By Ricky GarciaNice book. Little is exactly what it is. The size of a small journal.

This monograph on Coco Chanel chronicles the life and legacy of one of history's most influential couturiers. From

her early days of millinery, through her revolutionary inventions in sportswear and jersey fashions for women, the classics that have made her name, such as the Chanel cardigan jacket and the little black dress, to the global empire of the brand under the helm of Karl Lagerfeld, this beautifully illustrated book offers a fascinating account of Chanel's evolution and innovation. Detailed photographs and sketches of her designs, along with fashion photography and catwalk shots, pay tribute to one of the world's most highly regarded fashion houses and the woman behind it.

About the Author Having studied fashion at St Martins School of Art and history of art at Bristol University, Emma Baxter-Wright has taught fashion journalism at the University of the Arts, London and UCA. She has contributed to many publications including the New York Observer, Cosmopolitan and Marie Claire, and is the author of two photographic books on the English fashion photographer Brian Duffy, and *The Little Book of Schiaparelli*. Emma lives in London, England.
