**Aljean Harmetz : The Making of Casablanca: Bogart, Bergman, and World War II** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Making of Casablanca: Bogart, Bergman, and World War II:

0 of 0 people found the following review helpful. Enjoyed the bookBy Rick HenryI've been watching this movie for 30 years. The book was a nice peek behind the scenes at the industry and the times that shaped how movies were made. Fairly light on the movie details itself, but that what other reviews say too. Enjoyed it very much0 of 0 people found the following review helpful. Great book! I have watched the film many times ...By Dave70128Great book! I have watched the film many times and read other books about the film. This book was of great interest as it delved much more deeply into the actors and other WB personnel who were involved in making the movie.0 of 0 people found the following review helpful. Five StarsBy LewguitarAll good!

Critically acclaimed when published in 1992 as *Round Up the Usual Suspects*, *The Making of Casablanca* offers the ultimate insider's look at the politics and personalities behind the most celebrated movie of all time--*Casablanca*. Updated and timed for the 60th anniversary (Thanksgiving Day, 1942) of this movie, this critically acclaimed book draws upon years of research, including access to Ingrid Bergman's personal acting diaries and the vast Warner Brothers archives, as well as interviews with many of those close to the film, including the late Paul Henreid, Lauren Bacall, and scriptwriters Howard Koch and Julius Epstein. Richly detailed and full of surprises, *The Making of Casablanca* debunks many cherished myths about the casting, script, story, and stars, to reveal the realities of the highly pressured Hollywood studio system during World War II.
