**Kenneth Branagh : The Making of Mary Shelley's "Frankenstein"** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Making of Mary Shelley's "Frankenstein":

An in-depth look behind the scenes of the making of Frankenstein. The book contains the full screenplay, biographies of the stars, detailed sections on casting, sets, camera-work, and the philosophy behind the film. It also features a study of the make-up of Robert de Niro as the monster.
