Harry Potter, over the years.....By Daryl BI received this book from a friend of mine who knows how much I love JK Rowling and her famous literary "offspring", Harry Potter. I zipped through this interesting little book quickly and its a nice addition to any Potterphile's collection. The book charts the

history of Rowling's creation from its earliest beginnings by using articles and interviews with the author and stars of the celebrated movies. The articles/interviews are an insight into the popular series from its meek beginning, its burgeoning popularity to its overwhelming appeal and worldwide adoration. There are lots of little tidbits and trivia that will appeal to fans of Harry Potter fans, young and old. A recommended quick read for fans who love the magical world of JK Rowling. 2 of 2 people found the following review helpful. Interesting Work By A. Over the past decade, the magic of J.K. Rowling's Harry Potter series has spread across the globe, touching the imagination of hundreds of millions of people of all ages. From the 1997 U.K. publication of *Harry Potter and the Philosopher's Stone* through the summer 2007 theatrical release of *Harry Potter and the Order of the Phoenix*, the saga has been an amazing one in print, on screen, and in real life. *The Making of the Potterverse: A Month-by-Month Look at Harry's First 10 Years* is the complete chronicle of Harry's history, from the moment that Rowling conceived the character on a train ride, to the Pottermania that has followed the publication of each novel and release of each film adaptation. Broken down month-by-month and year-by-year, this one-of-a-kind book covers all of the major and minor news events centering on the world of Harry Potter, interweaving quotes from the films cast and crew members among them, Daniel Radcliffe, Emma Watson, and Rupert Grint; directors Chris Columbus (*The Sorcerer's Stone*, *The Chamber of Secrets*), Alfonso Cuarón (*The Prisoner of Azkaban*), and Mike Newell (*The Goblet of Fire*); producer David Heyman and behind-the-scenes personnel who bring the magic to life.
