For years, "whisperers" have gotten horses, dogs, and babies to behave. Through simple rewards and punishments, they encourage positives and discourage negatives. But why is it so hard to achieve in relationships? Enter The Man Whisperer. This modern communication guide shows you how to adopt a new style--to get what you want! Authors Donna Sozio and Samantha Brett have men eating out of their hands, and here they share their secrets. This lighthearted guide features tactics to get him to: Text if he's going to be late (yet again!) Put her orgasm first (without expecting "rewards") Say the "L" word (and mean it) Spend quality time (regardless of what game is on) Whether in the honeymoon phase or seriously committed, this book gives you solutions to thorny problems and balances expert advice with humor and anecdotes to illustrate how to turn any guy into a well-tamed man!
