Wonderful Play to Introduce Wonderful FilmBy Grandma SusieMy high school granddaughters knew who Helen Keller was, but they had never seen or read the play by William Gibson. After I gave them the book, I showed them (as well as two younger grandsons, ages 9 and 11) the fantastic 1979 film

with the amazing Patty Duke and Anne Bancroft. It was a wonderful bonding time for my grandchildren and me. 1 of 1 people found the following review helpful. goodBy THIEN TRUONG If you're looking for cyberpunk reading material, be warned: this is NOT the same William Gibson of Neuromancer fame, though a brief perusal of the description should have told you this. William Gibson, the cyberpunk novelist, was born in 1948; this play by William Gibson, the playwright (b. 1914), was first produced in 1959. To the idiots leaving 1-star / negative reviews of this item without having read the description, you got what you deserved. A quick perusal of Gibson's own website gives you a concise list of the books he's written 0 of 0 people found the following review helpful. Incredible Historical Play, reminds me of new novel By M. Powell I enjoyed directing this play very much for Texas OAP contest. Interestingly enough, I'm currently reading SPRING THAW by Tammy Fish, and one of her characters reminds me so much of Anne Sullivan - you can check out that novel at <http://www.springthawnovel.com/> I recommend it highly! In this play, Gibson does a great job showing the amazing truth of history, Anne Sullivan, struggling with the loss of her brother, matches stubbornness with Helen Keller to spark an enlightening the entire world has been able to enjoy. This play has wonderful family interaction, moving drama, and some great humor from Jimmy, Helen's brother. It is one of the top plays to reach the state contest in One Act Play, and there's really no surprise why, highly recommended!

Drama / 7m, 7f / Unit set Immortalized onstage and screen by Anne Bancroft and Patty Duke, this classic tells the story of Annie Sullivan and her student, blind and mute Helen Keller. The Miracle Worker dramatizes the volatile relationship between the lonely teacher and her charge. Trapped in a secret, silent world, unable to communicate, Helen is violent, spoiled, almost sub-human and treated by her family as such. Only Annie realizes that there is a mind and spirit waiting to be rescued from the dark, tortured silence. With scenes of intense physical and emotional dynamism, Annie's success with Helen finally comes with the utterance of a single, glorious word: "water".
"Interesting, absorbing and moving." - New York Post

"The Philadelphia Inquirer" Radiant, emotion-charged, memorable, superb. "The Philadelphia Inquirer" Radiant, emotion-charged, memorable, superb. "Radiant, emotion-charged, memorable, superb!" -- "The Philadelphia Inquirer" From the Publisher Deaf, blind, and mute twelve-year-old Helen Keller was like a wild animal. Scared out of her wits but still murderously strong, she clawed and struggled against all who tried to help her. Half-blind herself but blessed with fanatical dedication, Annie Sullivan began a titanic struggle to release the young girl from the terrifying prison of eternal darkness and silence. "An emotional earthquake ... a magnificent drama. A play with the power to wrench the heart." -- New York Mirror. "Really and truly powerful, hair-raising, spine-tingling, touching and just plain wonderful!" -- New York Herald Tribune.
