(author) Luke Dempsey : The Monty Python's Flying Circus: Complete and Annotated: All the Bits (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Monty Python's Flying Circus: Complete and Annotated: All the Bits (Hardback) - Common:

The complete scripts for every one of the 45 episodes of Monty Python's flying circus: every silly set-up, every clever conceit, every snide insult and saucy aside from these now classic skits, including The Ministry of Silly Walks, The dead parrot, and more.
