**Simon Mayo, Mark Kermode : The Movie Doctors** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Movie Doctors:

Whatever your ailment, the nation's best-loved film experts have the perfect cinematic prescription for you, whether it's a course of the Coens or a dose of Die Hard. And they're ready to cure the movies to,, taking their scalpels to

bloated blockbusters and warning of the ill effects of overpraise. Where medical ignorance and movie expertise meet - the surgery of Doctors Kermode and Mayo is now open.
