Filled with hilarious jokes and celebrity moments in Friar history and told in a delightful humorous manner. A real insiders look at what really went on...You wont see that on tv! Hilarious book buy it!0 of 0 people found the following review helpful. MAGNIFICIENTBy glenTHE TRANSACTION WAS QUICK AND SIMPLETHE PRODUCT WAS IN EXCELLENT SHAPE EVEN THOUGH IT WAS USED I DID NOT REGRET BUYING THIS PRODUCT0 of 1 people found the following review helpful. Worst of the worstBy Book JunkieThis book reads like it was written by an egotistical 14 year old. Not just badly written but this person obviously thinks of themselves as funnier than the icons who are honoured and repeatedly puts the event the people involved down, while proffering their opinion about in every sentence.You will regret buying this book.

This is a hilarious compilation of tales, anecdotes, and historical information about the Friars Club, featuring funny and moving moments from hunderds of stars.
