It's written by a fan, which makes it an even more delightful read. 0 of 0 people found the following review helpful. Good Book By History Lover This is a fun book I enjoyed years ago that points out all of the bloopers, plot holes, and other questionable scenes/actions from the

episodes. It's a fun read to check out when you watch an episode.0 of 0 people found the following review helpful.
very funBy Eric Drewesa must for all star trek fans, very fun book

A follow-up to the first, best-selling Nitpicker's guide ferrets out the plot inconsistencies, scientific inaccuracies, and other foul-ups in the seventh, final season of the TV series, Star Trek: The Next Generation.
