Great learning tool and memory builder.  
2 of 2 people found the following review helpful. The Official Bible Brilliant Trivia Book by Timothy E. Parker is an activity book that leads the reader to a stronger understanding of the Bible through quizzes, word searches and crossword puzzles. This book is HUGE. It has so many facts, puzzles, quizzes, it would be impossible to go through this book and not learn about the Bible. It starts challenging you right from the start. Very easy to read and handle. This is a fun book. But remember to read all of the chapter that is referenced during the crossword hints. You might find yourself confused. I received this book from Revell via NetGalley in exchange for an honest review.
