I just did not like this book or the Sudoku games in it! By Rather be at the Beach I had the exact opposite "problem" of the other reviewer (am I just slow to catch on?). I thought the first 10 or 12 puzzles were not easy enough for beginners and were more frustrating than fun! The beginning of the book gives the rules of Sudoku, but it doesn't give good strategies or examples of Sudoku games being played. I just did not like this book.
