1 of 1 people found the following review helpful. Duke Nukem Lookin Good By David Altizer Book arrived in excellent condition and in a timely manner. Best game ever made. Have played the game for years but lost the book. Needed it because I haven't played for a while. Me and Duke going at it again. 1 of 1 people found the following review helpful. duke nukem forever By dukenukemfan looks great. has showed me somethings I didn't know about. I received the item very quickly. It can well wrapped and protected. 1 of 1 people found the following review helpful. A very good written, and usefull guide. By A Customer This guide is very usefull for to Duke Nukem 3D Gamer (not Atomic Or the PAK version). The book had all the secrets to each level and episode; good for people who want to master it. However if you'r a begginer, it tells you the basic and simple parts of Duke, his ego, and his enimies. Gives

you a Map guide of the level and path to beat it. Gives hints, tips, and demos of other games by 3D Realms. however, the book can be hard to understand a bit for younger or less educated people. Still, a great book for a great price. get this book if you want to know how to MASTER Duke Nukem 3D!

The only officially authorized guide to the revolutionary new game, Duke Nukem 3D! It features exclusive coverage of game cheats, extensive multilevel maps, hints, winning strategies, plus interviews with the developers. The companion CD offers Duke Nukem maps, video walkthroughs of every DN3D level, and 6 playable demonstration versions of other Apogee games.
