many card rules over the years and am thrilled to have a handbook.

This text contains the official rules of a huge number of different card games and their variants, ranging from Whist to Poker and including everything in between. An invaluable tool for the serious card player, this would make for a great addition to home collections and is certainly not to be missed by those with a keen interest in card games. The games covered in this book include: Games of the Whist Family, Laws of Pivot Bridge, Laws of Auction Bridge, The Laws of Whist, Norwegian Whist, Poker, Euchre, Five Hundred, Rum, Boat House Rum, Michigan Rum, Wild Cat Rum, 500 Rum, Conquain, American Pinochle, and many more. We are proud to republish this antique book now with a new prefatory introduction on card games.
