**Mel Simons : The Old-Time Radio Trivia Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old-Time Radio Trivia Book:

2 of 3 people found the following review helpful. Complete waste of money ... wouldn't recommend to any OTR FanBy Rich M.This book is completely useless to all but the most neophyte of old-time radio fans. Anyone who had read through a copy of one of Fred Worth's trivia encyclopedias will be able to ace most of these quizzes without any problem.It seems to have been written just to showcase the author's collection of signed photographs of OTR-related stars, because it does not seem like a lot of thought really went into the writing the actual questions. The book reads

like the author pulled out a copy of *The Big Broadcast* and paged through it, writing questions from that, instead of using any of the knowledge he is vaunted to possess. I've never heard any of Mel Simons radio appearances, but after perusing this, I'm not going out of my way to find them. I would recommend avoiding this book. Get a copy of *On the Air*, *Radio's Golden Years* or *The Big Broadcast* instead.

By Heather Cattanach  
My husband love's to listen to the Old Time Radio show's. He loved this book! He knew some of the answers but not all. It's a fun book if you like the Old Radio shows.

Test your OTR knowledge with the ultimate radio trivia book, compiled by long-time radio personality interviewer, Mel Simons. The book is liberally illustrated with photos of radio stars from the author's personal collection. Reasonably priced, this book will provide hours of fun for the entire family! Mel Simons Simons has interviewed many of the great television stars of the past. Included in his latest book are interviews with Milton Berle, Perry Como, George Jessel, Steve Allen and many others. Simons can also be heard on the Steve LeVeille Show on WBZ radio.
