**Julia Goodwin : The Only Kids' Party Book You'll Ever Need** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Only Kids' Party Book You'll Ever Need:

0 of 0 people found the following review helpful. Five StarsBy Ana BoVery good23 of 23 people found the following review helpful. A good resource for planning kids partiesBy A CustomerThis book is full of good information for planning children's parties. The information ranges from the best time of day to have a party, to how many to invite, to many creative theme ideas. The text is enhanced by full color photos, and step-by-step instructions for party favors, costumes, decorations, etc... For people who don't throw many parties, this book is a good resource.
