the following review helpful. A Fine CollectionBy Glenn VanstrumExcellent compendium by a wide variety of experts on the history and evolution of the orchestra. Highly recommended to all music students and professionals.0 of 0 people found the following review helpful. Five StarsBy MamaDaHunA great read and reference for music major essays.

The symphonic orchestra is intriguingly considered in essays by 23 leading music authors and thinkers. Topics include historical beginnings, the role of the conductor, the orchestral audience, the nature of the repertoire, and how recordings have affected the modern orchestra. With a new editor's introduction for this 2006 edition and a glossary of terms.
