Completing our remarkable series of compilations of seasonal organ music, we proudly present our Summer volume, culled from the broad and diverse library of The Sacred Music Press. Fourteen exceptional settings of service music shine brightly, highlighting the celebration of the Holy Trinity, the rite of Holy Communion, appropriate selections for Home and Family, and even something special for a Patriotic Sunday. Rounding out the collection are three general praise and four general prayer hymn arrangements. All timings are accurate and the indices are organized

alphabetically, by page number and by the church year. Under any circumstance, a most desirable and prestigious addition to the organist's library.
