Only thing, I would prefer more "easy" puzzles and less "hard" ones... I'm not up to the challenge, especially doing them at work! 0 of 0 people found the following review helpful. Five Stars By legoloverim gettin better 0 of 0 people found the following review helpful. Makes a great annual Christmas present for my wife By N7KH Hey guys... if your wife is into the Sudoku... this is a great annual investment... gives her something to do every day... lets you have some time to do what you want to do for an hour or so....

The real deal. From Nikoli, the Japanese company that helped launch the Sudoku craze and gave the game its name, this calendar provides fanatics the challenge they crave with a daily puzzle in full color. And new this year, test your Sudoku mettle once a month with a Visual Sudoku puzzle, in which the numbers have been replaced by symbols or images. Starting off easy each weekend, the puzzles increase in difficulty over the course of the week puzzles handcrafted, literally, by masters who anticipate your every move. Can you stay one step ahead?
