**Johann Sebastian Bach : The Passion according to St. John. Vocal score edited and with an introduction by Arthur Mendel. Translation adapted by A. M. from King James version ... S. Drinker and Harvey Officer. Ger. Eng** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Passion according to St. John. Vocal score edited and with an introduction by Arthur Mendel. Translation adapted by A. M. from King James version ... S. Drinker and Harvey Officer. Ger. Eng:

0 of 0 people found the following review helpful. Four StarsBy David G. CovellGlad to receive the CDs in good condition, with considerable added material, including the excellent print book.0 of 0 people found the following review helpful. ... the translation in this book would be a little better than the other one I boughtBy RLawsonI was curious whether the translation in this book would be a little better than the other one I bought, since it's a little older. I think over all it is somewhat better, but, again, it is not terribly literal in places, which for my purposes I would prefer. It's was, however, worth the price.0 of 0 people found the following review helpful. Easy to followBy Sgt. BilkoThis makes the listening easier for those of us who cannot understand German. The English is modern enough that you are not fighting through words that are not in use.

Piano Vocal score Edited and with an introduction by Arthur Mendel. JS Bach -- considered by many to be the Greatest Classical composer -- produced the St. John Passion for the first time, on Good Friday, 1723 (or 1724) in Leipzig. A GREAT work and a great study in the History of Oratorio -- soloists, choruses, orchestral accompaniment... and contrapuntal forces of nature in each and every measure of music. The Passion -- according to St. John (Biblical) -- the last few days of the Jesus Christ.
