CovellGlad to receive the CDs in good condition, with considerable added material, including the excellent print book.0 of 0 people found the following review helpful. ... the translation in this book would be a little better than the other one I boughtBy RLawsonI was curious whether the translation in this book would be a little better than the other one I bought, since it's a little older. I think over all it is somewhat better, but, again, it is not terribly literal in places, which for my purposes I would prefer. It's was, however, worth the price.0 of 0 people found the following review helpful. Easy to followBy Sgt. BilkoThis makes the listening easier for those of us who cannot understand German. The English is modern enough that you are not fighting through words that are not in use.

This is the vocal/piano score for the St. John Passion by Bach. The text is in English German.This score is edited with an introduction by Arthur Mendel.
