Scott Alexander, Larry Karaszewski : The People vs. Larry Flynt: The Shooting Script (Newmarket Shooting Script) before purchasing it in order to gage whether or not it would be worth my time, and all praised The People vs. Larry Flynt: The Shooting Script (Newmarket Shooting Script):

0 of 1 people found the following review helpful. book was in really great condition and it was delivered in a timely manner thank you!!! By frankbook was in really great condition and it was delivered in a timely manner thank you!!! unfortunately I MADE THE MISTAKE and ordered the shooting script instead of the actual book...if given the opportunity i will purchase books from this seller again! 2 of 2 people found the following review helpful. A Brilliant Look at A Complex Man By Joseph J. Finn Love him or hate him (and does anyone really love him?), Larry Flynt has been a lightning rod for 1st amendment issues over the past few decades. This brilliant script looks at the complexities

of a man who chose willingly to go into pornographic magazines, and who almost fell into being a free speech advocate. Certainly a difficult man to like or even respect, but certainly worth throwing some gratitude for doing that which other couldn't or wouldn't. 1 of 3 people found the following review helpful. It's an OK movie
By A Customer
This movie can relate to the different tastes of people. For example one person might hate it, but then another person might love it. Movie about Larry Flint's (founder of Hustler magazine) life where he gets in and out of trouble. This movie shows that you can do something if you struggle and don't give up. Rated R: for graphic language, nudity and sexuality.

Includes the writers' detailed scene-by-scene notes of cuts, changes, and choices made during the production, an exclusive interview with the director, the writers' original 4-page treatment sent to producer Oliver Stone which sold the project to the producers, film stills, historical photos and documents, and complete credits. 34 b/w photos.

A blazing, unlikely triumph . . . superbly written. -- Janet Maslin, The New York Times
This book provides unique insight as to how and why changes are made between word processor and the editing room. -- Fade In
About the Author
Scott Alexander and Larry Karaszewski wrote Ed Wood, for which they were nominated for Best Screenplay by the Writers Guild, and followed with The People vs. Larry Flynt, for which they won the Golden Globe for Best Screenplay as well as a special Writers Guild Award. Milos Forman, two-time Oscar winner, previously directed One Flew Over the Cuckoo's Nest, Amadeus, Valmont, and The People vs. Larry Flynt.
