From Hal Leonard : The Phantom of the Opera Cello (Book Only) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Phantom of the Opera Cello (Book Only):

2 of 2 people found the following review helpful. Good for fun practice while learning cello. By Andrew Cole This book is great if you want to hone your cello skills to something fun and that sounds familiar, especially if you love Phantom. Just take heed, this is not a score, by any means. There are errors, but they are apparent until you hear the correct version straight from a real score. I was pleased with the songs, nothing I wanted was missing. In general, it is a pretty easy book; I learned "Music of the Night", after about a month of lessons, but was not ready for the rest yet. I look forward to tackling more of the songs, as my skills with the cello increase! 1 of 1 people found the following review helpful. Yes!!!!!! By Amazing I love this book absolutely amazing the music is great and I ended up playing a

song from this book for my solo in a competition and won 1st place and a gold medal this book is not really for beginners alot of very high notes and shifts in alot of the song.0 of 0 people found the following review helpful. You can play these arrangementsBy Mary M. PompeoMost of this book is within the skill set of the average cellist, and some of the pieces are challenging enough to be interesting. Writing in keys that give the cello a beautiful voice. I am really enjoying the arrangements.

(Instrumental Folio). 9 songs from the classic Andrew Lloyd Webber musical: All I Ask of You * Angel of Music * Masquerade * The Music of the Night * The Phantom of the Opera * The Point of No Return * Prima Donna * Think of Me * Wishing You Were Somehow Here Again. 9 songs from the classic musical: All I Ask of You * Angel of Music * Masquerade * The Music of the Night * The Phantom of the Opera * The Point of No Return * Prima Donna * Think of Me * Wishing You Were Somehow Here Again.
