In reality it probably hasn't ever been used, but it looks at least 20 years old and the faded front cover is creased, probably from being in storage for a long time.0 of 0 people found the following review helpful. ... to play piano with but it was not an easy version at allBy CustomerI ordered this thinking it was the same "easy" version that my parents owned that I learned to play piano with but it was not an easy version at all. My idea of easy does not include four note chords on one hand.0 of 0 people found the following review helpful.

Fantastic!By Thomas kozikLove this a lot! I mainly got it for "think of me" but I will now be pushing myself to learn the others songs as well! The readability is fantastic; its seems durable as well!

(Instrumental Folio). Nine songs from the Andrew Lloyd Webber masterpiece: All I Ask of You * Angel of Music * Masquerade * The Music of the Night * The Phantom of the Opera * The Point of No Return * Prima Donna * Think of Me * Wishing You Were Somehow Here Again.
