From Hal Leonard : The Phantom of the Opera - Movie Selections: E-Z Play Today Volume 95 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Phantom of the Opera - Movie Selections: E-Z Play Today Volume 95:

2 of 2 people found the following review helpful. Not exactly what I expectedBy R CurtisI bought this version thinking it would be an easy to play version for the piano (with notes for both hands.) It actually only has a single note at

a time for the right hand and no notes at all for the left. It has the chord names listed above. On the bright side, it's forcing me to finally memorize my chords (at least some of the basic ones- I found a chord chart to help me). I can play the songs easily, I'm just not really creative at ad-libbing the left hand. It might be useful for guitar I suppose...0 of 0 people found the following review helpful. Five StarsBy CustomerBrilliant service beautiful book0 of 0 people found the following review helpful. Just what I wanted!By ShopperEasy to play selections that sound great.
