Well I didn't get to see the other one but I am satisfied with this one for my skill level. I can play it and it sounds like the music you want to hear, not like something so oversimplified that it loses its tune. If I ever get good enough I will get something more complicated but this is nice and I can just sit down, play, and be happy.0 of 0 people found the following review helpful. Good for beginnerBy K.J. WalkerGreat and perfect challenge for a beginner who has only been playing 8 months

(Beginning Piano Solo Songbook).
