Marcus Weeks : The Photographer's Puzzle Book (Efik Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Photographer's Puzzle Book (Efik Edition):

0 of 0 people found the following review helpful. Good challengdBy Brenda GatesLove it. Wish it was in a full 8x10 or 5x7 book size and not a pocket book.0 of 1 people found the following review helpful. a great book!By I like to buy stuffa great book!

This compendium of camera-related conundrums is the perfect challenge to any shutterbug who thinks they know it

all. There are over 100 tricky crossjigs, polyword puzzles, picture rebuses, word mazes and quizzes to tax even the most knowledgeable photographer. Plus theres anagrams, missing links, logic puzzles and riddles to get that grey matter grinding. All the answers in the back, so if you dont get that flash of inspiration you wont be left in the dark(room) too long. This unusual and innovative gift is the ideal size to pop into a camera bag and for pulling out when a stumped snapper wants to stimulate their cerebellum.

About the Author Marcus Weeks is an author of over 13 books on topics as diverse as How Many Elephants in a Blue Whale? Sussex Music, and Hotel Hobbies. He is an obsessive wordsmith whose love of crosswords, linguistic trickery, and passion for word play has led him to contribute to The Pregnancy Puzzle Book, A Gentlemans Puzzler Companion, and Fiendish Word Puzzles.
