**Frédéric Chopin, Music Scores : The Piano Concertos in Full Score (Dover Music Scores)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Piano Concertos in Full Score (Dover Music Scores)*:

3 of 3 people found the following review helpful. *The Piano Concerto in Full Score* By Merlyne Angela Reid-Edwards This particular Concerto No 1 by Chopin was a gift from my father, I knew every note and wanted to learn the piano solos in it. They are beautiful and a delight to listen to the music and follow the score, and also play it at my leisure. 1 of 1 people found the following review helpful. Five Stars By zhe zhao Nice 4 of 4 people found the following review helpful. Good size and quality By Marcelo A. Chacon It is just what I was looking for. The full score of Chopin's piano concertos in a good quality book.

Chopin's piano concertos transform the composer's solo keyboard brilliance into grand concert hall performances, in which the orchestral portions offer bold contrasts to the delicate piano parts. The composer first performed the Piano Concerto No. 1 in E minor, Op. 11, publicly in 1830, at his last Warsaw concert. Chopin described the slow movement as being "like dreaming in beautiful springtime, by moonlight." The Piano Concerto No. 2 in F minor, Op. 21, also debuted in Warsaw. Its dramatic first theme is followed by a romantic second movement, and it concludes with a lively final movement reminiscent of a mazurka. These concertos represent two of the most beloved pieces in the repertoire. Reproduced from authoritative editions, they appear here in a convenient single volume. This sturdy but inexpensive edition lies flat on music stands and will provide years of use and enjoyment.
