Creation of the Public in the Age of the Popular Media:

First Published in 1993. Routledge is an imprint of Taylor Francis, an informa company.

"John Hartley is the Kurt Vonnegut of cultural studies...a superb writer with a cosmic curiosity. "The Politics of Pictures is the nearest thing there is to an acid trip in cultural studies. It will be an immensely popular and successful book, like McLuhan's writing for much the same reason.."-James Curran About the Author John Hartley is Senior Lecturer in the School of Humanities, Murdoch University, Western Australia. He is the author of Tele-ology (Routledge 1992) and Understanding News (Routledge 1982).
