Valerie Geller : The Powerful Radio Workbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Powerful Radio Workbook:

6 of 7 people found the following review helpful. Excellent textbookBy KayRThis book was aimed more to upper management and directors in radio, but still offered a lot for those who are not. Also - the main purpose is toward the talk industry. If you are seeing Top 40 gigs, this book is not for you.Gellers book helped me most, at this point, by giving me an inside look of what my PD's are looking for, rather than what I think they may be looking for. Definetly useful.6 of 12 people found the following review helpful. Thank you Ms. GellerBy A CustomerAs a recent college graduate entering the job market, I have memorized The Powerful Radio Workbook. I could have used this when I was still in school! Thank you Ms. Geller for helping me gain the confidence I need to be a success.Cindy Snow

The Powerful Radio Workbook: The Prep, Performance Post Production Planning, is geared for all broadcasters-programmers, on-air talent and presenters, news and managers. Also for those interested in "breaking into radio or TV." This Workbook, by Internationally acclaimed broadcast consultant Valerie Geller is the companion book to Valerie Geller's first book "CREATING POWERFUL RADIO: A Communicator's Handbook, for news, talk, information personality," offers information to build exciting programming even on slow days, improve an average voice, increase your audience, create powerful news, teach powerful storytelling techniques and get results with airchecking.

"The Powerful Radio Workbook is the 'Thomas Road Guide' to success in radio!" -- Andy Vierra, Program Director, KNUU Radio, Las Vegas
Now I have the help I need to develop 'hit talent.' -- David
This should be a textbook. -- Chris Berry, Vice President ABC News
