Presbyterian Publishing Corporation : The Presbyterian Hymnal: Hymns, Psalms, and Spiritual Songs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Presbyterian Hymnal: Hymns, Psalms, and Spiritual Songs:

0 of 0 people found the following review helpful. Great hymnal By Granny Rose 351 Our church uses a computerized

musical accompaniment called The Hymnal Plus - a great way for churches who do not have a full time organist or musician to get extra music. The HP contains music from 13 hymnals of various denominations, including this Presbyterian book. Getting copies of the hymnals included has helped our congregation learn some new hymns. (with the correct licensing, of course!) I love reading the hymnals - lots of great music. I especially like that this hymnal used more than just English translations. While no one in our congregation speaks other languages, it's a good reminder that God is God to all peoples, no matter what language they speak. I found the seller to be very good. Book was in like new condition and it arrived quite promptly. 0 of 0 people found the following review helpful. it is useful to have Hymnals from various traditions

By CustomerAs a Church Organist playing in different Churches of different denominations, it is useful to have Hymnals from various traditions, because from time to time, I might be required to play a Hymn that may only be found in one Hymnal. Recently this happened with a Hymn that is only in the Presbyterian Hymnal which I didn't have. Getting my own copy allowed me to resolve this issue. This Hymnal that I recently purchased is in "as new" condition and is a valuable addition to my library of Hymnals. It will prove to be useful, enabling me to better equipped to meet demands as an organist. I am delighted with this Hymnal and its condition and very pleased to have it in my library of music. 0 of 0 people found the following review helpful. Excellent service

By cynthia pI wanted to get use to the hymns on the presbyterian church that I just started to go to. This is a beautiful hymn book. It arrives on time and in perfect condition. I have been enjoying singing some of these hymns at home when I am alone..

This exceptional hymnal features more than six hundred hymns, psalms, and spiritual songs in contemporary language that is both familiar and inclusive. The selections are arranged according to the seasons and festivals of the Christian year, theological topics, and specific occasions for worship. A complete set of indexes is included.
