Roger Matuz : The Presidents Fact Book: The Achievements, Campaigns, Events, Triumphs, and Legacies of Every President before purchasing it in order to gage whether or not it would be worth my time, and all praised The Presidents Fact Book: The Achievements, Campaigns, Events, Triumphs, and Legacies of Every President:

0 of 0 people found the following review helpful. Excellent source of Presidential information By J.M.F. A lot of information about each President. This book goes deep into all aspects of our Presidents lives, both politically and personal. The only drawback would be some of the details are repeated from President to President. Otherwise a great read ! 0 of 0 people found the following review helpful. A great book in order to get perspective in this time ... By Customer A great book in order to get perspective in this time of myopia and fact checking. Amazing fast food biographies.....great format and pace. I have recommended this book to all my friends of all party persuasions. 0 of 0 people found the following review helpful. Five Stars By Niranjana ram Kurpad Very good and concise

An All-New Edition! The Presidents Fact Book is a complete compendium of all things presidential and a sweeping survey of American history through the biographical lens of every president from George Washington through Donald Trump. Organized chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration-from the Bill of Rights to Barack Obama's speech on race in America-provide a glimpse into the crucial moments of America's storied past in the words of those who led the nation. Perfect for students, history buffs, and political junkies, The President's Fact Book is at once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history.
