From Unknown : The Proust Questionnaire (Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Proust Questionnaire (Classics):

0 of 0 people found the following review helpful. Five StarsBy DollyGave it as a gift.0 of 0 people found the following review helpful. The book is AMAZING from a content perspectiveBy Angela AbshierThe book is AMAZING from a content perspective. The quality of the binding and the spin is poor. Lots of damage, looks like its been chewed by a puppy.0 of 1 people found the following review helpful. Three StarsBy kathleen kinteresting set of questions you can take at different times of your life.

Marcel Proust's questionnaire is one of the best-known interview devices used in the media nowadays. Fun, intelligent, and concise, it reveals much of the personality of those questioned. Assouline Publishing presents a handsome and

entertaining facsimile edition of the original questionnaire, with Marcel Proust's handwritten replies. An introduction by Henry-Jean Servat, a long-standing member of the Friends of Marcel Proust Society, provides a historical account of the questionnaire, and a foreword by William C. Carter imparts the significance of Proust today. In addition, the book features questionnaires filled out by a variety of cultural figures such as Brigitte Bardot, Marisa Berenson, and Richard Meier. A set of blank questionnaires are included at the end of the book, making *The Proust Questionnaire* an ideal gift with many returns.

At the age of 20, Marcel Proust put his own psyche under the microscope by answering questions meant to reveal one's innermost thoughts. --Vanity Fair
