**Mark Horton, Eric Kokish : The Rabbi's Rules: Tips and Tricks to Improve Your Bridge Game** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rabbi's Rules: Tips and Tricks to Improve Your Bridge Game:

Built around real-life deals featuring the bridge-playing rabbi, Leonard Helman, this book contains a wealth of tips on

bidding and play for the advancing player. Even experts will learn from some of the bidding ideas, drawn from Eric Kokish's encyclopaedic coaching files.

About the Author London-based Mark Horton is an internationally known bridge player and writer, and is editor of UK Bridge magazine. His most recent book was *Misplay these Hands with Me* (Master Point Press, 2007; ISBN 978 1897106 28 0). Canadian Eric Kokish is a World Championship silver medalist as a player. He is the world's top professional bridge coach, having worked with the national teams of a number of countries. He is perhaps best-known as coach to Nick Nickell's multiple world titles from the USA.
