Left-over songs By Ole Petter Mostad Sorry, but I was quite disappointed with most of the songs in this volume. While I was very pleased with vol. I and II, vol. III songs were mostly simple and boring. Just a few of them could reach the top level in my opinion, such as You've Changed, Twisted, Once upon a Summertime, 'Round Midnight. 0 of 0 people found the following review helpful. Pretty good By moogmamma music I like everything so far. I haven't really gotten a chance to run through many songs. This is great for people who are singers and instrumentalists.
