Sir Arthur Conan Doyle : The Return of Sherlock Holmes, Volume 1: BBC (Return of Sherlock Holmes (BDD Audio)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Return of Sherlock Holmes, Volume 1: BBC (Return of Sherlock Holmes (BDD Audio))*:

12 of 12 people found the following review helpful. Excellent audio rendition
By J. Comeaux
Much anticipated, as evidenced on a website "The Sherlock Holmes Society", I was not sure I would like this, having enjoyed the dramatizations by Basil Rathbone and Nigel Bruce on restored radio productions. Well, David Tomlinson reads Arthur Conan Doyle's story in top form, as if we were hearing Dr. Watson himself tell the story. He does all the voices, and will soon become a favorite audio reader. I completely enjoyed these readings. Plus, since they are the unabridged works, we hear every nuance that ACD wrote into the story, with no embellishment. The stories do hold up after so many years.
0 of 0 people found the following review helpful. Beautiful copy of one of the best collections of stories in the world
By Sherlocked
I acquired two of these Reader's Digest Sherlock Holmes books as gifts. Upon realizing that the whole collection of Sherlock Holmes came in this Digest set, I set out to find the rest. These books are beautifully bound, with a pristine hardcover, and superb writing on the cover. As for the content of the stories, any fan of Sherlock Holmes will know that the Return is a collection of Holmes canon that cannot be ignored. Starting with *The Adventure of the Empty House*, a pivotal point in the Holmes canon, and ending with *The Second Stain*, these are a series of stories that are purely entertaining and enlightening. Any Holmes fan must read these stories. Along with the stories, there are several illustrations to help depict the stories further. Personally, I believe that the Reader's Digest are some of the best copies of the Sherlock Holmes canon, for their simplicity and beauty. A book does not have to be needlessly flamboyant to capture the correct mood of the stories. All in all, a very wonderful book worthy of picking up.

By David
Classic mystery writing. The movies and tv shows don't do the character justice.

This first installment In the continuation of the classic collection of Sherlock Holmes stories will charm Sir Arthur Canon Doyle's many fans with four more lavish episodes featuring the inimitable partnership of Holmes and Watson as portrayed by the well-loved pair, Clive Merrison and Michael Williams. Presented in a stunning dramatization originally conceived for BBC broadcast and produced by the world's foremost creators of radio entertainment, this lush production combines a full cast with stirring music and sound effects to bring these classic mysteries to life.
The Return of Sherlock Holmes Volume 1
In *The Empty House*, within hours of Dr. Watson bumping into an aged bookseller, he and Holmes are back together after a three year hiatus, tracking a master criminal to their own front door. An obvious motive and copious clues point a murderous finger at Holmes own client in *The Norwood Builder*. *The Dancing Men* jettisons Holmes into the investigation of what had previously appeared to be merely childish scribbles, and in the end it is Holmes' own pistol clapped against the head of the malefactor. *The Solitary Cyclist* stalking Miss Violet Smith sends Holmes and Watson down a murky trail of passion and crime. In this first volume of *The Return of Sherlock Holmes*, the fearsome duo of Watson and Holmes are at the top of their form.

From the Back Cover
Ten years after the supposed death of Sherlock Holmes at the Reichenbach Falls, Arthur Conan Doyle was to bow to popular pressure and breathe new life into his creation. To readers, Holmes reappears in Baker Street to embark on a new series of adventures.
